10999 Berlin

Lacuna Lab is looking for people who...

- work in the intersection of art, science and technology.
- are passionate about collaboration.
- have time and energy to work towards our collective's vision.
- enjoy being around other people :D

What we offer...

- a collective and a space to call home.
- the opportunity to work together on innovative interdisciplinary art projects.
- exhibiting together at least once a year.
- a friendly community of people from all around the world.

Get in touch and let us know more about yourself

- What do you do?
- What are your expectations from the Lab?
- What can you offer to our community?
- Are you interested in a temporary stay with us, or a permanent membership?

We look forward to learning about you and your work.
